**Arjun Convent High School, Boda**

**JUN 2016 - JUN 2017**

*Higher Secondary*

*PERCENTAGE:79.16%*

## Projects

**HOTEL MANAGEMENT SYSTEM**

**May 2023**

- Developed a Hotel Management System using Java, Swing, NetBeans, and JDBC to streamline hotel operations. The system featured secure user authentication, room and booking management, customer management, and automated billing processes. It utilized a MySQL database for efficient data storage and retrieval. This project improved operational efficiency and enhanced customer satisfaction through intuitive interfaces and comprehensive reporting.
- Tools & technologies used: MySQL, java, swing, JDBC, NetBeans, MySql Workspace

**STUDENT FEE PORTAL (Solo Project)**

**October 2022**

- The Student Fee Portal is a project aimed at providing a convenient and efficient way for students to pay their fees using their smartphones. The application is designed with user-friendliness in mind and is equipped with separate portals for students, staff, and Head of Departments, ensuring a smooth and streamlined experience for each user group.
- Tools & technologies used: MySQL, java, swing, JDBC

## Technical Skills

**Languages:** Java, C, HTML, CSS, JS, SQL, OOPS,  $\text{\LaTeX}$

**Developer Tools:** VS Code, IntelliJ Idea, eDraw, Draw.io, NetBeans

**Technologies/Frameworks:** Swing, JDBC, Bootstrap

## Strengths

- Leadership
- Team Work
- Positive Outlook
- Self Confidence
- Quick Learner
- Communication Skills

## Coding Profile

- GFG: neharajputi7o1
- Leetcode: Neha\_Rajput3

## Extra Curriculum

- Member of college kabaddi and volleyball team (Bachelors).
- Competed in interschool volleyball at state level during school years.

## Achievements

- Solved 150+ DSA and problem solving questions (Leetcode)
- AIR 353 IN NIMCET 2021
- 100+ score in GFG
